Pricing and Delivery information

PRICES:

Prices are subject to change without notice and the price list with the later date supersedes all previous price lists.

Prices do not include charges for cartooning, crating, installation, or inside delivery.

Cartoning or crating charges will be added to orders weighing under 250 lb.

DELIVERY:

All prices include delivery outside the Zone 1 region.

Zone 1 includes Washington, Oregon, Alaska, Hawaii, and British Columbia. Prices in Zone 1 reflect Factory Will Call. Zone 1 dealer discounts are adjusted accordingly.

A freight surcharge will be added to Zone 2 orders totaling less than \$10,000 LIST. The freight surcharge will be 10% of NET invoice total.

A Fuel Surcharge will be added to all orders that include delivery. Please see our website [http:// www.magnadesig.com](http://www.magnadesig.com) for current details.

Standard delivery will be made on a dock-to-dock basis or to a sidewalk. Should you have special requirements such as inside delivery or prior notification please contact Magna Design's traffic department. Special delivery requirements will be handled on an as-available basis and will likely result in additional charges.

All Shipments are FOB Magna Plant, Lynnwood, Washington.

MagnaCad

The MagnaCad graphic and specification package includes the complete Series 50 symbol library for 2D layout drawings and 3D isometric illustrations. The Series 50 symbol library is linked directly to specification and pricing information.

Access Series 50 components by model or description.

Both left and right orientations are provided as needed for each model.

Series 50 product graphic and specification packages are available for use with 20-20 GIZA software, Data One's Design Express software and Project Matrix's Project Spec software. Software such as 20-20 GIZA, Design Express or Project Spec may be purchased directly from the software provider. Magna provides just the graphic and specification information for our product lines that can be used in these third party software products.

LIFETIME limited warranty

MAGNA DESIGN warrants that its products are free from defects in design, material, and workmanship under normal use and with proper care and maintenance. This warranty will remain in effect for the following period of time, commencing with the date of purchase from MAGNA DESIGN but only so long as the original purchaser continues to own the product:

- WoodPlus2 finishes on products purchased January 2002 or later - **LIFETIME**
- Drawer slides - **LIFETIME**
- LIFETIME for ALL PRODUCT and COMPONENTS, not listed below
- Healthcare products - **ten (10) years**
- Electrical components and functional mechanisms, like keyboard trays - **five (5) years**
- Wood finishes - **three (3) years.**

During the term of this Warranty, MAGNA DESIGN will repair or replace with the same or comparable product or part without charge any product or part that malfunctions or fails to conform to this Warranty. THIS REMEDY OF REPAIR OR REPLACEMENT IS PURCHASER'S SOLE AND EXCLUSIVE REMEDY WITH REGARD TO ANY PRODUCT DEFECT.

This Warranty does not apply to:

- Any damage caused during shipment.
- Any product installed or used other than in accordance with MAGNA DESIGN guidelines.
- Any product that has been repaired, altered, or modified by any person other than MAGNA DESIGN.
- Any attachment added to a product.
- Any fabric or upholstery material.
- Any part or material provided by Purchaser.
- Any damage caused by misuse, abuse, or negligence on the part of Purchaser or any third party.

THERE ARE NO OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE. UNDER NO CIRCUMSTANCES WILL MAGNA DESIGN BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES ARISING FROM ANY PRODUCT DEFECT.

This warranty is in effect for products shipped on or after May 1, 1998.

Terms and Conditions

QUOTATIONS:

Price quotations on non-catalog or special orders will not be valid after thirty (30) days without written approval from Magna Design, Inc.

CREDIT TERMS

Net thirty (30) days after invoice date upon credit approval.

ORDERING :

When ordering, please include complete identification and description of the product being ordered using Magna Design specifications and terminology. All orders must be in writing.

TELEPHONE ORDERS:

All telephone orders must be confirmed with a written purchase order.

ACKNOWLEDGMENTS:

All orders when accepted will be acknowledged by mail indicating the terms and conditions by which the order was accepted and a description of the items being ordered. Orders will be completed and shipped in accordance with the information on the acknowledgment. If the acknowledged information is incorrect we must receive written instruction to change.

CHANGE ORDERS:

Order entry will take place upon receipt of an ENTERABLE purchase order from an authorized Magna Design dealer.

Once the order has been entered, no changes are allowed on MAGNA NOW! orders.

For orders not on the MAGNA NOW! shipping program, order changes will be subject to a minimum \$25 processing fee. Actual change order charges may be higher depending on the status of the job at the time a change is made.

CANCELLATIONS:

A 15% minimum restocking charge will be applied on cancellations of standard products.

Cancellations will not be accepted on special or custom products.

RETURNED GOODS:

Returned merchandise will not be accepted for return without twenty (20) days prior written notice and written Returned Goods Authorization (RGA) from Magna. Returned goods will be subject to a minimum 15% restocking and refurbishing charge in addition to shipping costs. (See Warranty policy for defective goods.)

LEAD TIMES:

To current accounts with approved credit, Magna FLEX *enterable* orders will be made available (in standard finishes) within 4 to 6 weeks. All orders are subject to current inventories. Leadtimes may vary according to factory volume.

To current accounts with approved credit, Magna NOW! *enterable* orders in standard finishes will be made available 10 *working days* after receipt of *enterable* order. *Working day* = Monday through Friday except factory holidays.

Day 1 (of 10) starts upon receipt of *enterable* order before 2:00 PM Pacific Time.

Will Call orders will be ready at 2:00 PM of Day 10. Leadtimes may vary according to factory volume.

DELIVERY:

Orders will be delivered in accordance with the delivery dates indicated on the order acknowledgment and partial shipments may be made unless the order instructions indicate that an order must be shipped complete.

SHIPPING:

We reserve the right to use our own discretion in selecting routes and freight carriers. We will attempt to meet any special routing requirements that you may have but assume no liability for damages or costs incurred by our inability to do so.

STORAGE:

Storage charges will be charged on orders not accepted or picked up within five (5) days of acknowledged delivery dates unless we are notified thirty (30) days in advance. Storage will be charged at the rate of 2% for the first fifteen (15) days delay and 3% for each fifteen (15) day period thereafter.

FREIGHT CLAIMS:

Before signing a delivery receipt, make certain that goods are inspected for possible damage. If there is visual damage, record the extent of the damage on all copies of the bill of lading before signing. If there is no visual damage to goods that are cartoned or crated, we strongly suggest that the merchandise be unpacked and inspected immediately. If damages are discovered, save the packaging and contact the carrier immediately for inspection. Claims for damages should be filed with the delivering carrier and payment for the goods may not be withheld pending settlement of the carrier damage claims. Magna assumes no liability for freight damage or the workmanship or cost of repairs made by others without prior written authorization. SPECIFICATIONS:

All published dimensions and weights are approximate and we assume no liability for errors or inaccuracies in product literature. We reserve the right to modify or change product design and/or delete product models without prior notice.

FINISHES:

We take great care in matching color and texture of materials in our product. However, it is impossible to guarantee exact matching in all cases.

Series 50 Specifications

The Series 50 group is designed to offer a contemporary design, shipped ready to assemble, and provides a wide variety of configurations

SPECIFICATION HIGHLIGHTS

All exposed laminate surfaces shall be Magna WoodPlus laminate. Standard finishes shall include WoodPlus wood grain patterns as described in the finishes section. Pedestals, lateral files, hutches, overheads and end support panels are also available in ColorPlus laminates.

Edge Bands

Desk tops are 1.5" thick and are banded with 3mm PVC or 3mm hardwood. Drawer fronts and doors are banded with matching .020 PVC.

Tops and top edges

All Series 50 tops are 1.5" thick. The three ply balanced construction consists of a 45 LB industrial board core surfaced with WoodPlus laminate and a balancing backer sheet. Worktop edges may be finished with smooth, reeded or neoclassic edge profile, 3mm PVC or hardwood with radius on top and bottom on the worktops only.

Pedestals

In a component layout, pedestal configuration is specified as DB Box Box File with Lock and DF File File with Lock. When ordered as a component part, pedestals are available in: DB Box Box File with Lock or DF File File with Lock.

Support Panels, Half Cylinders, Hutch Ends and Shelves

All support panels, hutch ends and hutch shelves are 3/4" thick, three ply balanced construction. End panels, half cylinders and hutch ends are constructed with vertical grain patterns. All Series 50 end panels are supplied with support brackets.

Front, Modesty and Back Panels

All drawer fronts, pedestal and cabinet case sides and back, modesty panels and hutch backs are 3/4" thick, three ply balanced construction. Modesty panels are available with horizontal grain patterns which are parallel to the work surface or with vertical (up to 60") grain patterns. Desk and credenza modesty panels are typically constructed with horizontal grain.

Drawer fronts, pedestal and cabinet sides and backs are constructed with vertical grain patterns.

Drawers

All drawers are constructed as a five sided box with separate attached drawer faces. This technique ensures superior structural integrity and easy drawer front replacement. Standard drawers are of miter fold construction with a black vinyl finish and matching high density hardboard bottom. Applied drawer pull is through fastened for maximum strength.

Filing Capabilities

All file drawers are provided with file holders configured for letter front to back and legal side to side filing. Lateral file drawers are provided with file holders configured for side to side filing. Hardware is finished in a matte black.

Drawer Suspension

Pedestal drawers utilize full extension ball bearing, 100 LB rated slides.

Lateral File drawers utilize full extension progressive action ball bearing, 150 LB slides. Lateral Files are equipped with an anti-tilt device for safety.

Locks

Locks are included on all drawer pedestals and lateral files. Combo-A and Combo-B include lock for the lateral file and file drawers. The two box drawers in Combo-A and Combo-B do not lock.

Removable lock cylinders provide for keying alike or re-keying in the field. An optional Cylinder change tool is available to re-key locks, please contact Customer Service.

Hutches

Series 50 hutches are available as open or full overly WoodPlus or Aluminum framed Glass hinged doors, all with valance. WoodPlus hinged doors have vertical grain. Door Pulls are optional; hinged Door pull is screw fastened for maximum strength. Worklights can be mounted below fixed shelf for additional lighting.

Hutches can only be installed on worksurfaces with full depth support, i.e. 24" deep tops and support components or 30" deep tops and support components.

Adjustable Glides

All free standing components are equipped with threaded stem adjustable glides. Glides are set in threaded inserts fitted in a PVC edge band for structural integrity.

Wire Management

Grommets are included on corner tops. Finish is satin black. Grommets are located so that Rectangular, Corner and Radius End tops are non-handed. P tops are handed with or without a grommet. Bow front tops are handed when a grommet is added.

Worklight

All worklights are UL labeled and have a built in diffuser. Finish is black.

Finishes

Series 50 components are available in WoodPlus finishes with a matching WPE WoodPlus wood grained PVC edge. Pedestals, cabinets and end support panels are also available in ColorPlus laminates.

Magna WoodPlus laminate finish consists of a unique combination of wood products and resins thermofused under high temperature and pressure into a single, wood grained or solid color structural panel. Work surfaces are WoodPlus high pressure. Panel edges are finished in matching PVC.

Cleaning and Care

WoodPlus / ColorPlus may be cleaned with mild cleaning agents that contain no abrasives, bleach or bleach substitutes. Under no circumstances can acetone or polish remover be used to clean any of the surfaces. Using it will void the warranty on the product and can do considerable damage to the surface.

Specifications are subject to change without notice.

Series 50 specifications, finishes, edge profiles, pulls, base styles, warranty

Specification Highlights

The Series 50 product line offers a clean, crisp design and effective use of space. Tops are 1 1/2" thick with your choice of 3mm woodgrained PVC or 3mm wood edge and various edge profiles.

Upcharge of \$100 List per top for 3mm wood edge, any edge profile.

New architectural top shapes along with the lighter scale of 3/4" vertical construction with full overlay doors and drawer fronts adds a new sense of sophistication and a crisp, clean look.

List Pricing shown assumes the drawer face or doors match the finish of the case. All verticals, doors, drawer fronts, shelves use a matching 018 PVC edge. Please contact customer service for the upcharge when specifying contrasting faces on any Series 50 product. All drawer storage comes with locks. All doors are available with optional locks.

Finishes

Please specify each workstation using one finish per station. You may choose to use a second finish for the worksurfaces only. The Series 50 product line offers the following finishes:

WP04 Solar Oak	WP33 Blossom Cherry ①④	WP48 Sipping Seattle Java ⑤	WP75 Chestnut ①
WP05 Rift Oak ①	WP35 Golden Cherry ①②	WP61 Pear	WP81 Fusion Maple
WP15 Midnight ①②⑤	WP37 Mocha Cherry ①②	WP67 Chocolate Pear ①②	CP76 Espresso ③
WP23 Cordovan	WP41 Natural Maple	WP71 Dark Cherry	CP88 Black ⑤
WP31 Medium Cherry	WP45 Anigre	WP73 Cognac	CP98 Slate ⑤

- ① upcharge of \$600 List per order for these finishes
- ② there is no matching WPE PVC edge for worksurfaces in these finishes, please either choose another WPE edge or specify a matching worksurface STD wood edge and add \$100 list per worksurface
- ③ available only for vertical surfaces
- ④ Hi-Lustre is the worksurface texture, all other surfaces have a suede texture.
- ⑤ Hi-Brite is the worksurface texture, all other surfaces have a suede texture.

Please visit our website at www.magnadesign.com or call Customer Service at 800.233.2304 for the latest finish information.

Edge profiles and pulls

<p>Edge profiles: for 3mm WoodPlus PVC edges</p>  <p>Smooth WPFS</p>  <p>Reeded WPFR</p>  <p>Neo WPFN</p>	<p>Edge profiles: for 3mm Standard wood edges</p>  <p>Smooth SWFS</p>  <p>Reeded SWFR</p>  <p>Neo SWFN</p>	<p>Pull Choices:</p>  <p>#10 Black Chrome</p>  <p>#12 Black</p>  <p>#13 Satin Chrome</p>  <p>#14 Black</p>  <p>#15 Satin Chrome ADA compliant</p>  <p>#18 Black</p>  <p>#19 Satin Chrome ADA compliant</p> <p>Knob Pulls: for Desk Top Organizer Drawers only</p>  <p>#09 Black</p> <p>#10 Black Chrome</p> <p>#11 Satin Chrome</p>
---	--	--

All drawers and doors below worksurface height, include a pull. Glass doors are not available with either a pull or lock. Other doors above worksurface level do not require a pull, optional pulls are available for these doors for an upcharge

MAGNA NOW! - 10 business day shipping program

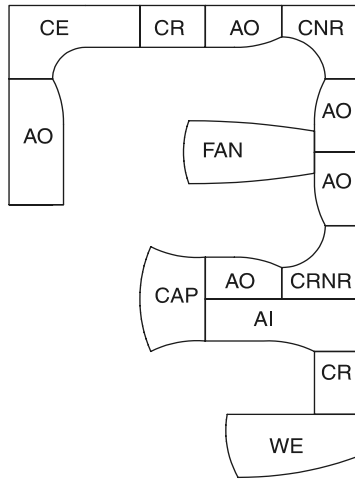

The MAGNA NOW! - 10 business day shipping program includes all Series 50 product except for

- product with glass doors, e.g. hutches, storage towers or overheads when glass doors are included
- product ordered with a STD Standard wood edge on the worksurfaces.

You must clearly mark your order as MAGNA NOW!

For large orders, please check with Customer Service 800.233.2304 as factory volume may affect leadtime.

Series 50 Overview & Optional Grommet Locations

DESKS	BOW FRONT	BOW END	BOW END	RECTANGLE	
	WEDGE	WEDGE	P TOP	P TOP	
CREDENZAS	ARCH IN	ARCH IN	RECTANGLE		
CORNERS, CONFERRING TOPS	CORNER	CORNER	CORNER EXTENSION	CORNER EXTENSION	CONFERRING
<i>Corner grain direction varies, see pg. 8</i>					
DESK EXTENSIONS	WEDGE	WEDGE	FAN	BOW END	CAP
RETURNS, BRIDGES	RECTANGLE	ARCH OUT	RECTANGLE	ARCH OUT	
<i>S2S grain direction is Side to Side</i>			<i>F2B grain direction is Front to Back</i>		

Standard locations for optional Grommets (GR) shown.
Arrows indicate grain direction.

Series 50 LEFT - RIGHT layout and GRAIN direction

Worksurface Left and Right designation in SERIES 50

When seated at a desk,
 When the bridge or return is to the user's left, it is specified a LEFT,
 When the bridge or return is to the user's right, it is specified a RIGHT.

AO shaped Bridge top is the exception to the above rule.
 The AO (curved front edge) Bridge top is either to the LEFT or RIGHT of the corner top it is connected to.

Grain direction in SERIES 50

Corners are not handed by shape, but by woodgrain direction:
 grain LEFT - in line with grain of the top to the LEFT of corner,
 grain RIGHT - in line with grain of top to RIGHT of corner,
 If no grain direction is specified on a corner top, grain will run S2S Side to Side.

Series 50 shaped modesty panels

MPSC
Shaped center
(as if it had two peds)

MPSF
Shaped full length

A freestanding desk
with a pedestal or cabinet
and an HLEG
does NOT have the option of
a rectangular or a
shaped modesty panel

Because of the height of the
modesty panel with an HLEG,
the bottom of the pedestal or
cabinet back would be exposed
