RE: State of Arizona Solicitation No. EPS070112

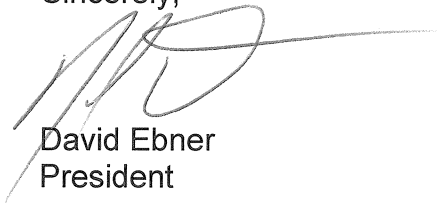

Dear Sir or Madam:

To assist you in preparing your bid for the State of Arizona Solicitation No. EPS070112 for Furniture - Products and Services, Neutral Posture, Inc. has agreed to hold the MSRP pricing from the 2007 Retail Price Book for a period of two (2) years for all products listed in the price book pending the contract award to Corporate Interior Systems. This price hold is only good for this solicitation, is dependent on a contract being awarded to your company for a period of two (2) years, and is only applicable to the 2007 Retail Price Book pricing.

Neutral Posture, Inc. reserves the right to increase the MSRP of all products in the 2007 Retail Price Book on an annual basis after the initial contract award period of two (2) years. We will notify you annually of any changes in the MSRP pricing.

Should you have any questions or need further clarification on this matter, please feel free to contact me by phone at (979) 778-0502 or by email at debner@NeutralPosture.com.

Sincerely,

David Ebner
President
