GENERAL INFORMATION

Order Information

Mail or fax all orders or inquires to:

The Taylor Chair Company
One Taylor Parkway
Bedford, Ohio 44146
Phone: 440-232-0700
Fax: 440-439-6720
E-Mail: info@thetaylorcompanies.com

All orders are subject to acceptance by The Taylor Chair Company.

Phone and E-Mail Orders

Taylor Chair accepts phone and e-mail orders; however, a mailed or faxed purchase order marked "confirming" must follow immediately. Duplication of an order not marked "confirming" is the responsibility of the customer.

GSA Contract

Most Taylor seating is on GSA Contract (#GS-28F-0047J). Please contact Customer Service or visit our website (www.thetaylorcompanies.com) for more details.

Special Orders

A minimum deposit of 50% of the quoted price is required on all orders for special construction, custom upholstery application, or jury bases. Special orders are not cancelable and Taylor Chair will not accept return of such orders. Lead time for special orders will be quoted at the time the order is received.

Terms and Credit Policy

Terms are 2% 10 days, net 30 days. Merchandise is shipped F.O.B. Bedford, OH, freight prepaid and allowed. Title passes to the purchaser upon receipt by the transportation company. Prices are subject to change without notice and all orders are accepted subject to prices prevailing at time of shipment. Distribution of this price list does not constitute an offer to sell. New customers are required to complete and return a credit application. **New customers are required to make a minimum deposit of at least 50% on their first order, unless other arrangements have been made.**

Past due accounts of 10 days or more are subject to being placed on credit hold until satisfactory arrangements are made. Any account that has an unpaid invoice that is 30 days past due will be placed for collection. Notification will be sent at such time. The customer will be responsible for all collection costs in the event their account must be placed for collection.

10 Year Limited Warranty

The Taylor Chair Company (Taylor) warrants to the first purchaser for use that its merchandise (including mechanisms, controls and gas cylinders, but excluding embroidery, embossing, upholstery cover, foam, and padding materials) is free of defects in material and workmanship for a period of ten (10) years from date of invoice, provided that such merchandise is listed in Taylor's current price list at the time of the claim and that such defects are not the result of ordinary wear and tear. Taylor's obligation under this warranty is limited to repair or replacement, at its option, and such repair or replacement shall be the only remedy. Because wood is a natural product, variations in grain and finish color may occur. Therefore, Taylor cannot guarantee the matching of grain or color. Taylor is not responsible for damage due to transportation, improper handling, alteration, abuse, or negligence. Taylor shall not be liable for any incidental or consequential damages including, but not limited to, any expenses associated with the removal or installation of any defective merchandise covered by this warranty. Taylor makes no implied warranty of merchantability or fitness for any particular purpose. **ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, ARE EXCLUDED.**

Designs

Designs in our catalog and price list are the property of Taylor Chair. Taylor Chair reserves the exclusive right to produce and market them. Some of the designs in our catalog and price list have design patents pending. Anyone duplicating them or planning to have them reproduced will be liable for patent infringement. Taylor Chair retains the right to change, at any time, materials or construction methods which, in our opinion, will improve our product. **All measurements and weights in the catalog and price list are approximate.**

Acknowledgements

Every order is acknowledged. An order will be manufactured and invoiced based upon information in the acknowledgement. If there is any discrepancy between the original order and acknowledgement, please notify the Customer Service Department immediately.

Changes and Cancellations

Orders are not subject to change or cancellation once frame production has begun or after the upholstery cover has been cut. Order revisions may be subject to schedule and price adjustments.

Cartons

All prices include cartoning and are packaged one item to a carton. All cartons and packing materials meet the requirements of the uniform freight classifications.

Freight Claims and Damaged Shipments

We take great care in the handling of our finished product. All Taylor Chair products are carefully inspected, protected with well-engineered packaging, and expertly loaded from our dock. All shipments are delivered to the transportation company in good condition and our liability ceases at that time. Therefore, **we strongly recommend that all furniture be inspected immediately upon arrival.** Do not refuse merchandise damaged in transit, as Taylor is not responsible for damage to goods that occur in transit or storage. **If a shipment is received damaged, whether such damage is concealed or obvious, it is the purchaser's responsibility to note the damage on the shipping receipt and contact the carrier immediately in order to file a freight claim. A delay in contacting the carrier may jeopardize your right to file a claim.** If a shipment is delivered short, please note the shortage on the shipping receipt.

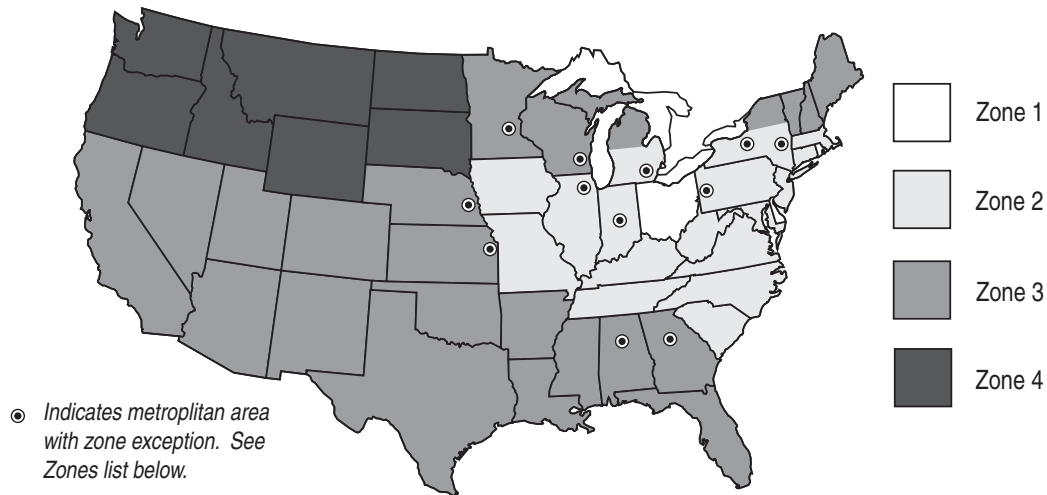

The delivering carrier may not accept responsibility for damages if signed for "clear". **Notification of concealed damage claims must be made to the delivering transportation company within 5 days after delivery. All cartons must be available for inspection.** Transportation company liability ceases after 5 days and neither Taylor, nor the transportation company, will be responsible for concealed damages.

Taylor's warranty is null and void if product is stored or installed in an environment where temperature and humidity are not controlled, 24|7|365.

Returns

No furniture may be returned for credit, inspection, or repair without first obtaining factory approval and a return authorization number. In the event of a credit by agreement, a handling charge of at least 30% will be deducted from the credit issued. **No furniture will be accepted unless a return authorization number is referenced and return transportation charges are prepaid. All furniture being returned must be properly packaged in its original or comparable replacement packaging to ensure protection of the product during handling and transportation.**

GENERAL INFORMATION | SHIPPING

Delivery and Freight Charges

Zone list pricing includes freight prepaid by Taylor for delivery to one destination only within the zone. Inside delivery, unloading, and installation are not included in the list pricing and are the sole responsibility of the purchaser. Alaska and Hawaii are not included within the zone pricing and must be priced F.O.B. Bedford, OH before freight charges. Please contact Customer Service for freight charges to Alaska or Hawaii.

Routing

Taylor reserves the right to select the most appropriate carrier and/or routing on all shipments. If the purchaser specifies a carrier, other than a pre-approved carrier, freight will ship collect at the purchaser's expense via that carrier.

Miscellaneous Freight Charges

A \$30 (net) charge will be added to orders that request a call before delivery. Charges for special requests, including but not limited to, non-dock deliveries and residential deliveries, will be added to the purchaser's invoice.

Occasional Table Freight Charges

For occasional tables that ship via UPS, add the following surcharges to the list price per table:

Zone 1 & 2:	+\$75 list per table
Zone 3 & 4:	+\$125 list per table

Minimum Prepaid Freight Charges

Minimum prepaid freight charges will apply to the following seating orders in all zones:

4 or less guest chairs	+\$95 list per order
5 or less chairs in any combination of guest, swivel, lounge, etc.	+\$195 list per order

Large Order Discount

For large seating orders of 20 units or more (any combination of guest, swivel, lounge, etc.), please contact Customer Service for pricing at 1-888-758-2956 or info@thetaylorcompanies.com.

GENERAL INFORMATION | UPHOLSTERY & LEATHER

Upholstery Covers

Although we attempt to select fabrics for their quality, as well as performance, WE CAN NOT GUARANTEE ANY UPHOLSTERY COVER with regard to wearability, color fastness, or shrinkage beyond that which the fabric manufacturer extends to Taylor. Because of industry dye lot variations, colors may not match exactly. Zippers and cushions do not indicate that covers can be removed for cleaning.

Fabric Puddling

The content of certain fabrics makes these fabrics susceptible to puddling and wrinkling over which Taylor has no control. Slight changes in weather and humidity can affect these fabrics. Taylor will not assume responsibility in such cases.

Dimensions

All dimensions in our catalog and price list are approximate. Varying thickness of coverings and the individual upholstery technique of each craftsman account for small variations in the dimensions. We assume no responsibility for overall width, depth, or height unless items are special ordered to fit within an exact space.

Customer's Own Material (COM)

Yardage requirements for cover materials are listed in this price list and are based on plain fabrics 54" wide. If the fabric has a large repeat, stripe, or pattern, please send a sample and Customer Service will advise the additional material required. If these fabrics require special handling, Customer Service will advise you of the extra upholstery charge which will not exceed 15% of the COM price of the chair. The chart below illustrates the additional material required for fabrics with larger repeats:

Fabric Width	Plain Fabric	2"-14" Repeat	15"-19" Repeat	20"-27" Repeat	28"-36" Repeat
54	0%	10%	15%	20%	25%
50	10%	20%	25%	30%	35%
48	15%	25%	30%	35%	40%
45	40%	50%	55%	60%	65%
36	50%	60%	65%	70%	75%

Customer's own leather requirements are listed in the price list and are based upon usable square footage of leather. **On COM with stripes or patterns, specify direction as to horizontal or vertical. Unless otherwise specified, the fabric will be cut at our discretion.** We do not recommend striped or directional fabrics on barrel-shaped or tufted chairs. Depending on the fabric, it may not always be possible to run the horizontal or vertical without seams.

Knoll Textiles, Maharam, and Momentum Textiles

Taylor Chair has alliances with Knoll Textiles, Maharam, and Momentum. Through these alliances, most Knoll Textiles, Maharam, and Momentum fabrics are standard on all Taylor seating. Knoll Textiles, Maharam, and Momentum fabrics are graded directly in the price list for each seating model; therefore, **it is not necessary to order these fabrics as a COM.** As a result, only one purchase order is needed, which eliminates the time and expense typically involved with a COM order.

To use each program, simply identify the pattern name and corresponding price grade from the respective Taylor Fabric Grade reference card in your Taylor binder. Then, locate the Taylor model number in the price list to determine the final seating price. Orders should be marked with the pattern number, pattern name, and color number. **Do not write "COM" on the order.** The price of Taylor seating upholstered with Knoll Textiles, Maharam, and Momentum fabrics is calculated according to grade and includes the cost of upholstery material. The repeat is also accounted for and no additional upcharge is needed. **Memo Samples are available directly through each company:**

Knoll Textiles: 1-800-343-5665

Maharam: 1-800-645-3943

Momentum Textiles: 1-800-366-6839

NOTE: For Knoll Textiles, Maharam, and Momentum fabric patterns not graded-in, please contact Customer Service for pricing.

Leathers

The contemporary leathers used by Taylor have been carefully selected to meet the highest standards for uniform color, softness, and wear. The natural nuances of leather have unique and individual characteristics; therefore, no two hides are identical. Since cattle are susceptible to the rigors of outdoor living, the beauty is defined by natural imperfections. These imperfections include growth marks, scars, grain, and shade variations that are unique features to each hide and are not considered a defect. We make every attempt in our cuttings to ensure that the most visible areas are clean and to use these natural features in the obscure areas of our product.

Leather Maintenance

It is recommended that leather is occasionally vacuumed or dusted, wiped with a mild solution of soapy water (not detergent), followed with a clean damp cloth, and allowed to air dry. Do not dry damp areas with a hair dryer. Commercial cleaning products, such as all-purpose household cleaners, saddle soaps, dressings, and solvents are not recommended. Leather should not be scrubbed, as the abrasion may damage its protective coatings.

Logo Embossing and Embroidery

Through state-of-the-art techniques, Taylor Chair can emboss or embroider your corporate or organizational logo on most Taylor seating models. A gold or silver foil logo can be embossed on Taylor seating upholstered in leather, as well as most faux leathers. Colored embroidery of a logo is available on fabric or leather upholstery.

To order, please e-mail **camera-ready artwork** of your logo to Customer Service and provide the following information:

- overall size of logo
- exact logo position on the inside or outside back
- color selected (gold or silver for foil embossing or PMS colors for embroidery)

There is a minimum quantity requirement of 4 seating units and only one logo will be applied to each chair. With respect to multiple seating units (i.e., 2111-3S), each seat is considered a separate chair for embossing and embroidery purposes. Pricing is as follows:

Embossed Logo Pricing:

Quantity of Chairs	Embossing Net Price Per Chair

5-8	75.00
9-12	60.00
13-16	50.00
17-20	45.00
21 or more	40.00

Flammability Codes

Unless otherwise noted by our alliance partners, all Taylor seating upholstered in Knoll Textiles, Maharam, Momentum, and Spinneybeck Leather complies with the State of California Technical Bulletin 117, Section E. To comply with more stringent standards of California Technical Bulletin 133 and Boston Fire Department BFD IX-1, a fire retardant foam is used.

For compliance of seating upholstered with a COM cover, please send a 10" x 10" sample of the cover with information regarding its fiber content and flammability rating. These orders are subject to acceptance by Taylor Chair. If laboratory certification is required for a particular model with a certain upholstery cover, in addition to the cost of the seating unit and the upcharge for the fire retardant foam, there will be an additional \$750 (net) upcharge for the burn test, freight, and video.

Refer to the table on the next page for the list upcharge for compliance with these more stringent standards.

Standard Finishes

The standard Taylor finishes are listed below. Please specify the finish at the time of order.

RCL	Royal Cherry*	CML	Clear Maple
LWL	Light Walnut*	COL	Clear Oak
ESP	Espresso*	CHY	Cherry
MHL	Mahogany*	AMB	Amber
SMK	Smoke*	BLK	Black*

*NOTE: These finishes are available on those selected seating models that are designated "Available in medium and dark Taylor finishes only."

Taylor Chair offers high quality lacquer and oil finishes. Careful attention is paid to the finishing process, thus emphasizing the natural beauty of the wood. **The finish samples provided by Taylor Chair represent the average color of the finish.** Finishes may vary because of a variety of reasons (i.e., normal variations in wood grain, texture and density). Taylor Chair cannot accept responsibility for the finish to remain true over a period of time.

Special Finishes

Taylor Chair seating and tables are available with special finishes to match **the color** (as closely as possible) of existing woodwork, architectural details, other manufacturer's products, or other special conditions. Taylor Chair, however, cannot match the unique grain pattern of a particular species of wood. A finish sample must be submitted with your order to the Customer Service Department. On large orders, a counter sample will be developed and returned to you for approval. **Production will begin upon receipt of your written approval of the sample. If special finishes are required to match your sample, a one time, per color formulation fee of \$95 (net) plus an upcharge of \$30 (net) per chair will be charged. For orders of 12 or more chairs, the \$30 (net) per chair upcharge will be waived in most cases. Please contact Customer Service.** Color lacquer finishes are not recommended. With respect to multiple seating units (i.e., 2111-3S), each seat is considered a separate chair for special finish purposes.

If your special finish order involves both Taylor Chair and Taylor Desk products, both Customer Service Departments should be notified to ensure proper coordination of the special finish sample. Orders for discontinued finishes will be treated as special finishes and are subject to special finish upcharges, but not color formulation fees.

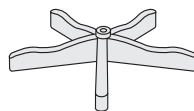

BASES

Certain bases may be substituted at the time of the order at no upcharge. If an alternate base is available, such base will be listed in the "Dimensions" information for that particular seating model. For a complete list of optional bases, please call the Customer Service Department. All bases are 5-star, solid wood caps over a steel structure. A black, solid, plastic composite base is also available. To specify an alternate base, add the appropriate number suffix to the seating model number, which denotes the optional base (i.e., 9720.5-PF-1705).

All swivel and posture chairs are equipped with standard, dual-wheel carpet casters.

5 ROOMS | 15 DAYS FAST SHIP PROGRAM

General Information

All fast ship orders will be scheduled for shipment within 15 business days after the date of order entry. All fast ship orders must be mailed, e-mailed, or faxed to:

The Taylor Chair Company
One Taylor Parkway
Bedford, Ohio 44146
Phone: 440-232-0700
Fax: 440-439-6720
E-Mail: info@thetaylorcompanies.com

All orders are subject to acceptance by The Taylor Companies and **must be marked "Fast Ship" or "5|15."** Fast ship orders will be entered only after receipt of all necessary product information, receipt of upholstery cover, and approval of credit. Phone orders must be confirmed in writing by fax or e-mail before they will be released to the factory.

Fast ship orders will be ready to ship on the date acknowledged, which will be 15 business days after order entry. On rare occasions, delivery and shipping schedules may result in actual shipping of orders at a later date.

Available factory capacity for fast ship is filled by orders received on a "first come, first serve" basis. If the normal fast ship lead time is not available for your order because capacity has been filled, you will be notified immediately and advised of the earliest ready-to-ship date.

Cancellations

All fast ship orders are considered firm orders once entered and are not subject to cancellation.

Quantity Limitations

Each fast ship order is limited to an aggregate total of 25 seating items and 20 casegood pieces (including occasional tables), whether it includes one model or a combination of several models. Individual orders that exceed this limitation may not be divided in order to qualify as a fast ship order.

Freight

Please refer to pages 4-5 for routing and freight information.

Products

Only those occasional tables and seating models marked with the following logo are available in the 5|15 Fast Ship Program:

Upholstery

Fast ship orders may be upholstered in:

- Spinneybeck Leather (Volo, Andes, Velluto Pelle)
- Taylor Leathers: Dakota or Taylor
- Knoll Textiles, Maharam, or Momentum
- Customer's Own Material (COM)
- Customer's Own Leather (COL)

Fast ship orders may be shipped partial as covers are received unless otherwise specified. Should a Knoll Textile, Maharam, Momentum, or COM fabric not be suitable for upholstery, notification will be provided before such material is cut. Taylor will not assume any responsibility for manufacturing delays caused by Spinneybeck, Knoll Textiles, Maharam, Momentum, COM, or COL delivery or for the durability, upholstery appearance, or other qualities of these fabrics and leathers. Ship your COM/COL prepaid to:

Ship your COM/COL prepaid to:

MULTIPLE SEATING & TABLES

How to Specify

Zoe Multiple Seating configurations must be ordered according to the model number, as well as the position of the chairs and/or connecting tables.

Zoe seat units are available in 1-3 seat versions and are shipped up to three seating units per carton.

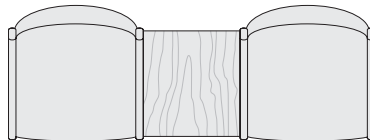

Tables for Zoe Multiple Seating may be specified to join with seating units for multiple configuration possibilities. All tables are shipped unattached to seat units with brackets attached to the tables. A screwdriver is required for onsite assembly.

Please use the drawings below as a guideline when specifying and ordering Zoe Multiple Seating. **Chair and table model numbers should be specified left to right.**

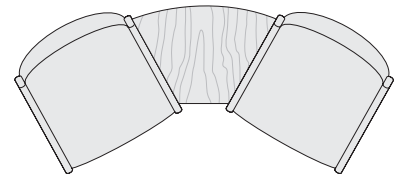

Square End Table

Specify left to right:
2111-2S | SQ-ET

Square Middle Table

Specify left to right:
2111 | SQ-MT | 2111

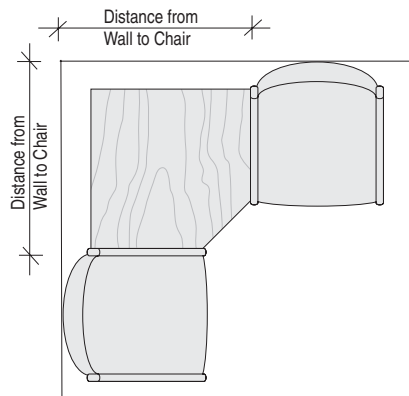

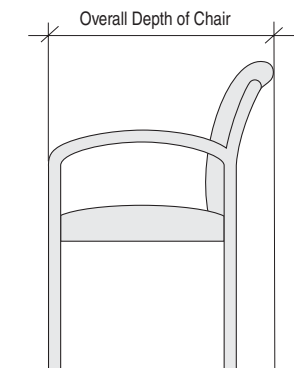

Curved Middle Table

Specify left to right:
2111 | CV-MT | 2111

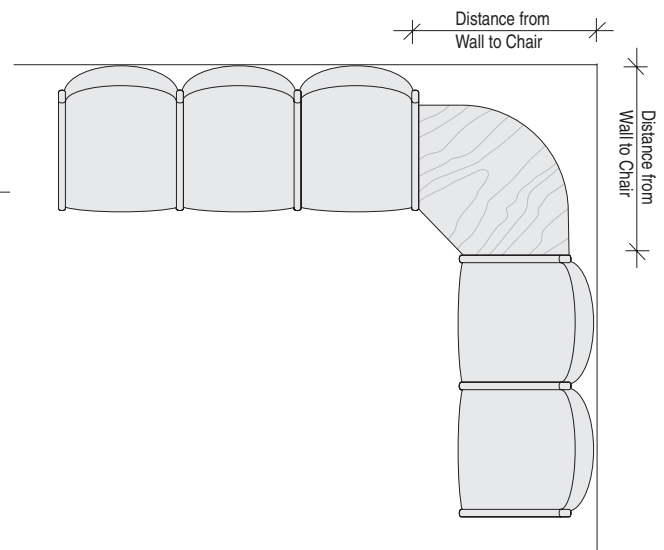

Specifying Corner Tables

When specifying corner tables for Zoe Multiple Seating, you **must allow additional space to accommodate the entire depth of the seating unit**. This allowance is necessary because tables are attached underneath the side rail, which is not the overall depth of the chair. Please see drawings below for specification details.

Square Corner Table

Specify left to right:
2111 | SQ-CT | 2111

ORBIT LOUNGE SYSTEM

How to Specify

The Orbit Lounge System is comprised of individual Seating Units, Swing Tables, Swing Arm Tables, Occasional Tables, and Ottomans. Individual seating units may be positioned to form a multitude of configurations. Because each unit is free-standing, they may be re-positioned at any time. The unique seat shapes for the middle, left, and right seating units allow endless footprint possibilities.

Orbit Lounge System configurations must be ordered according to the model number, as well as the position of the chairs and/or connecting tables. Tables are shipped unattached to seating units with all the necessary hardware included for attachment. Swing tables are available in round or triangle shape. Swing arm tables are a combination of an upholstered arm and table top surface.

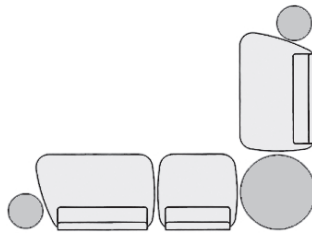

Please use the drawings below as a guideline when specifying and ordering the Orbit Lounge System. Chair and table model numbers should be specified left to right. For complex configurations, it is recommended to submit a dimensioned drawing with the order.

“Y” Configuration

Specify left to right:

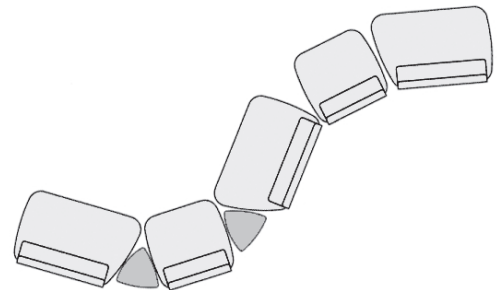

(3) SAT-EN | (3) 2230-L | (3) 2230-M | (1) SAT-3W

“L” Configuration

Specify left to right:

ST15R | 2230-L | 2230-M | T30R | 2230-R | ST15R

Specify left to right:

2230-R | ST15T | 2230-M | ST15T | 2230-L
| 2230-M | 2230-L

System Scaled Seating Units

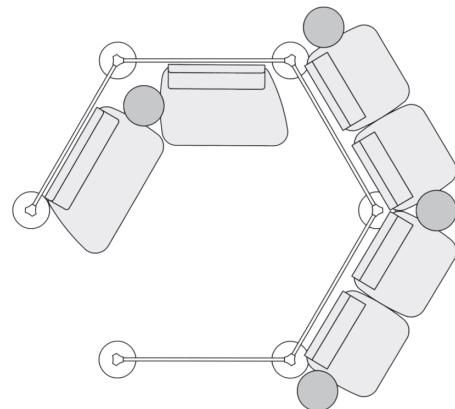

System Scaled Seating Units are appropriately scaled to work in collaboration with any systems furniture configurations, including 90 and 120 degree angles. The overall depth of the system scaled seating unit is 3" shorter than the standard seating unit. Units may be incorporated inside or outside of the systems environment.

System Scaled Configuration

Specify left to right:

Inside: 2227-R | ST15R | 2227-L

Outside: (3) ST15R | (4) 2227-M
